Dear Parents / Carers

When we started this Academy we had an aim to build an outstanding Academy serving the local community. In order to meet this objective it is vital that we get parents/carers involved and give them a voice to help shape our shared future. With this in mind this half term we had a 'Parents Voice' meeting with a group parents.

This group met to discuss what we were doing well as an Academy and what we could do better. An example of the areas they suggested that we could improve on is our communication with you as parents/carers. As a result of listening to their/your concerns we have adapted some of our communication practices. For instance letters sent home will now have a reply slip for you to return so we know important information has got home. We do put all letters/important events on our website and update regularly- www.harrisdulwichboys.org.uk.

The Parent Group want you to know who they are and would welcome the opportunity to listen to your views and raise them on your behalf.
